Sir,

With reference to your letter No.46/Budget dated 14th April 1924, I have the honor to return herewith the Budget estimates of the Muzrai Department (13 Muz. Institutions) for 1924-25 indicating the alterations which I consider necessary in the estimates with -- explanations therefor.

Budget 1924-25.

Appendix B. of MUZRAI Department.

Statement A. Showing the alterations for 1924-25.

Budget Heads	Proposed by Comptroller	Proposed by Department	Difference + more or — less	Explanation or authority for alterations
Detailed accounts 13.Muzrai Institutions. Superintendence Travelling allowance.	404	1000	596	An enhanced allotment under these heads was asked for last year and it was not allowed for reasons not known to the undersigned. By practical experience the amounts are found to be insufficient even to meet the ordinary requirements of the office. Electric lights have been duly installed in the office rooms and the cost of Rs.313/- has to be met. Besides the monthly minimum charges come to Rs.4/- a month or Rs.50 a year. As the office was newly formed and as the work is being developed and as systematic inspetion of Major Institutions to be made, it is requested that the allotment under each of these heads may be raised to Rs.1000/-. Which is the irreducible minimum requirement that I could think of.
Contingencies	400	1000	600	
Grant-in-aid	3270	4170	900	The item of expenditure are fixed and variations are not possible. Moreover the average expenditure in any one year is not a safeguide. A sum of Rs.4170/- as per details below

Budget 1924-25.

Construction and repairs.	4600	10000	5400	It is not understood why a reduction of Rs. 400/- is proposed. The provision as it stands now is found to be --- wholly inadequate and application for addition al funds is being made year after year. ✱.

✱. Formerly 15000 was being given and it was reduced to Rs 10000 in recent years, which was subsequently reduced to Rs 6000. Last year. The amount is too small and many deserving cases both have to be refused for want of funds. And therefore requested to allow the provision of at least Rs 10000.

		The points of difference between the Comptroller and the Muzrai Commissioner are considered below:-	
Superintendence.			
Travelling Allowance.	Rs. 96.	The Comptroller has provided Rs. 404 and the Commissioner wants it to be raised to Rs.1000. The Second Member suggests that it is sufficient if it is raised to Rs.500. The increase suggested by the 2nd Member may be allowed.	Dewans's Order Yes. Intd.A.R.P 29-4-24
Contingencies.	Rs. 100	The Comptroller has allowed Rs. 400 and the Commissioner wants Rs. 600 more. The Second Member has suggested an addition of Rs.100 making the total allotment Rs. 500. In the current year not more than Rs. 400 is expected to be spent: besides contingencies are not an item under which additional grants should be permitted. Rs.400 proposed by the Comptroller appears to be sufficient and the addition of Rs.100 suggested need not, I think, be made.	Yes. Intd. A.R
nstruction & repairs -	Rs.5,400.	The Comptroller has allowed Rs. 4,600 and the Commissioner and the Second Member both suggest its being increased to Rs.10,000, as there are a large number of institutions to

Formerly the annual level of this grant was about Rs.10,000 and it had to be reduced to Rs. 5,000 on account of financial stringency. I do not think we can raise the level beyond Rs.5,000 in the next year. I therefore suggest the grant being fixed at Rs. 5,000 as in the current year, and the proposal to make a further addition of Rs. 5,000 may be disallowed.	Dewan's order Yes, but cannot some of it be found from General Muzrai Fund. "A"
	Endowments & Charitable Allowances.	
	Grants-in-aid - Rs.1,230. The Comptroller has provided Rs. 3,270, but the Administrative Secretariat wants it to be raised to Rs. 4,500. This is an item governed by sanctions and the provision proposed by the Comptroller may stand. The Muzrai Secretariat refers to arrear claims. It is not necessary to make any special provision for such claims, unless they are definitely known to be preferred for discharge in the next year. Arrear claims should be paid up without delay and there is no reason why their payments should be deferred and a special provision made to cover them in the next year.	I agree. Intd. A.R.R 29-4-24
